Recipe for The Perfect Escape...
Take one crisp summer afternoon. Stir in a clear blue sky. Mix with the soothing sounds of a calm sea. Sit back. Relax. Enjoy.

It's the perfect way to forget your worries and we have the perfect way to serve it up...with Parliament's Perfect Escape Stemware Set.

This beautifully created 6-piece stemware collection includes 4 glasses adorned with a rich blue stem, a 40 ounce mouthblown glass pitcher and a hand-sculpted distinctive cobalt blue tear-drop stirrer for an extra touch of elegance.

Close your eyes and feel the ocean as you hold a cool glass full of exotic fruits. Be swept away in a cloudless sky as you look into the deep blue. An additional set of 4 glasses is yours to create the perfect complement to your own perfect recess.

Glasses measure approximately 7 1/2" high; the pitcher is 11 3/8" high.
